

Ensuring Fairness When Conducting Evaluations

Investment: \$2,999

Duration: 90 Minutes

This interactive webinar covers RFX evaluation pitfalls and explores ways to minimize challenges while maximizing competitive tension in procurement. Participants will explore successful strategies for evaluating compliance with mandatory requirements, mitigating perceptions of conflict and bias, as well as ensuring that clarifications do not cross the line into enabling bid repair. By reviewing case law and best practices, this webinar will help participants ensure fairness when conducting vendor demonstrations, interviews and references checks, and will reinforce the importance of accurate documentation of the evaluation process.

Learning Objectives

- Identify how common law and trade agreement obligations impact evaluations.
- Recognize the range of fairness challenges that can arise with evaluations.
- Practice applying judgement to rectify common evaluation pitfalls.
- Explore tips and tools to ensure fair, efficient and defensible evaluation processes.
