

## RFP Drafting: Navigating Non-Compliance

**Investment:** \$2,999

**Duration:** 90 Minutes

In a number of recent court cases, suppliers have successfully challenged procurement organizations for accepting non-compliant bids. In this interactive webinar, we examine key legal cases surrounding non-compliance and identify common pitfalls to avoid. Non-compliant responses can wreak havoc with your evaluation process and create both legal and business risk. We review practical strategies to help you minimize these risks and successfully navigate non-compliance when it does occur.

### Learning Objectives

- Explore the legal distinction between strict vs substantial compliance.
- Review the Supreme Court of Canada's main messages involving non-compliance.
- Analyze the impact of sample clauses regarding privileges, contract intent and limited liability as those relate to compliance.
- Review legal and practical ways to respond to non-compliance issues that do arise.
